# YOU SAVE. THEY LEARN.

## The FireFly Do-It-Yourself Chromebook Repair Kit

At FireFly we're reimagining what a vendor partner can do to help schools buy, manage, and maintain their classroom technology. Our FireFly Do-It-Yourself Chromebook Repair Kit extends the life of your devices with all the tools, supplies, and training needed for two people to perform almost every Chromebook Repair. Includes a Parts Starter Kit voucher good for \$1,200 worth of parts.

### EMPOWER STUDENTS WITH WORLD-RELEVANT SKILLS

The FireFly DIY Chromebook Repair Kit is perfect for student-led repair programs. The included step-by-step repair videos teach students lifelong skills they can be proud of, and students gain a well-deserved sense of accomplishment seeing the devices they repaired being used again in the classroom.

### INCLUDED WITH THE REPAIR KIT

Deluxe mobile storage cart and 10 slide-out bins with customizable internal dividers

30+ professional tools and supplies for two or more repair technicians

Access to FireFly's series of simple step-by-step instructional repair videos

Parts Starter Kit voucher good for \$1,200 worth of handpicked replacement parts

On-demand consultation with FireFly Repair Technicians for live Q&A

Easy online portal for ordering additional Chromebook parts
